

Cycling in Ústí nad Labem

Ústí nad Labem and his surroundings are very friendly to cyclists. Most popular is Elbe Cycle Route which leads to town Litoměřice and further to city Praha (Prague). Opposite direction from Ústí nad Labem leads to town Děčín, Bad Schandau and city Dresden in Germany.

More information at: www.elberadweg.de

In surroundings is located other cyclings routes. For example around the Lake Milada, lying between peaks Central Bohemian Uplands (České středohoří). Or another bike path is in Ore Mountains (Krušné hory). In Ústí nad Labem find cyklocenter or Cyklocamp Loděnice (district Brná) at the bike path. In both places you can rent a bikes. České dráhy have their own bike rental in main train station.

On the main train station you find Cyklocenter too. In addition to this, you can use from April to September a special Bus for cyclists. We will be happy to advise you in the Information Centre of the City of Ústí nad Labem.
